## Separation Solutions Engineered for Tonnage

### COMPETITION OPENS FOR NERC'S ENVIRONMENTAL AWARD

#### Environmental Protection Awards, Contests & Recognitions

The second year of the Northeast Recycling Council's (NERC) Environmental Sustainability Leadership Award competition has begun. The award will recognize an individual or organization for the impact they have made on sustainable materials management within the NERC 11-state region. Applications for the competition will be accepted through September 12.

To be eligible, an organization or individual must be located within NERC's 11-member states: Connecticut, Delaware, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island and Vermont.
