

**List of Other EPP Specs**

This is a list of current EPP Specs that were readily available on the Internet. Other EPP Specs used by public purchasers exist, but are imbedded in state contracts. Links to individual state contracts can be found in the State Profiles section of the NASPO website. Also, EPP Specs can be found in the WSCA-NASPO's contracts. (See the links to the NASPO webpages below.) If you know of additional EPP Specs that are available, please contact Mary Ann Remolador, Assistant Director, NERC (maryann@nerc.org).
