Unity Area Recycling Facility Accepts Clean Glass

You now have a place to recycle your clean glass food jars and beverage containers—Unity Area Recycling Resources Center. As of **ENTER DATE**, Unity Area Recycling will be accepting the clean glass containers, along with a variety of other recyclables.

By recycling glass containers, it helps towns reduce the weight of their trash, saves landfill space, and creates a supply of materials for glass manufacturers. The glass collected by Unity Area Recycling will be crushed into a sand-like product that may be used by manufacturers and a variety of other applications.

Acceptable Clean Glass:

- Beverage bottles
- Condiment jars
- Food jars
- Canning jars

Not Acceptable Glass:

- Mirrors
- Drinking glasses
- Ceramics of any kind
- Clay flowerpots
- Crystal
- Light bulbs
- Window glass
- Ovenware
- Candle jars
- Perfume or cologne bottles
- Plastic, Metal, Paper.

When you arrive at Unity Area Recycling, look for the glass recycling signs!
