The winners of the 'State Electronics Challenge-2014', administered by the Northeast Recycling Council, Inc.

SEATTLE (Scrap Monster): The winners of the 'State Electronics Challenge-2014', administered by the Northeast Recycling Council, Inc. (NERC), have been announced. The program recognizes organizations for their efforts to promote green electronics in their premises and reduce usage of paper and energy. NERC also gives due weightage to safe disposal of electronic scrap. The awards are classified into Gold, Silver and Bronze categories.

The recipients of the Gold Award are:-

- -Centre County Recycling & Refuse Authority (Pennsylvania)
- -Chewonki Foundation (Maine)
- -Corvallis, Ore.
- -DuPage County, Ill.
- -Illinois Sustainable Technology Center (ISTC)
- -La Crosse, Wis.
- -Providence, R.I. School Department
- -Regional Technology Cooperative, Borough of State College, Penn.
- -Vermont Agency of Natural Resources
-

The winners of Silver Award are:-

- -Fort Collins, Colo.
- -Upper Merion Township, Penn.

Also, New York State Department of Environmental Conservation received the Bronze Award.

The winners are being selected from among 150 organizations that participated in the challenge from 37 states.

The State Electronics Challenge (SEC) encourages state, tribal, regional, and local governments, including schools and other public entities, to responsibly manage office equipment.
