NEC Northeast Recycling Council Accepting Nominations For Environmental Sustainability Leadership Awards

The interstate [Northeast Recycling Council](#) is now accepting nominations for [Environmental Sustainability Leadership Awards](#) to recognize an individual or organization for their contribution to growing an environmentally sustainable economy within the NERC 11-state region.

The deadline for nominations is September 10. To be eligible, an organization or individual must be located within one or more of NERC's 11-member states.

Awards will be given in recognition of demonstrated change supporting an environmentally sustainable economy as the result of a project that furthers NERC's mission.

Awards will be given in three categories: NERC Advisory Member; Public Sector; and the Private Sector.

The award presentation will take place at [NERC's Fall Conference](#) on October 29 in Providence, Rhode Island. [Click Here for all the details](#). Questions should be directed to Lynn Rubinstein, NERC Executive Director, by sending email to: lynn@nec.org.

For more information on programs, education and other upcoming events, visit the [Northeast Recycling Council website](#). [Click Here for NERC's latest newsletter](#).
